

Dover From The Corner...

R 4 # 5 INDEMAN...Was showing us some early speed in last...the change to Milby may wake this mare up with the Left-Handed whip...should be at decent odds also...

R 6 # 5 CAMSEL N GRETTEL..Is in good shape right now...won't get 20-1 but would settle for 6-1 or better...

R 8 # 1 ACE OF ACES N...after 3 straight outside posts she finally gets a break...good trainer/driver win% will be at work,..

R 9 # 1 DOCDOR CAM...This mare is in excellent shape...that win should brave her up for today's class...

R 10 # 2 ALL OR NONE...This filly was handicapped by the outside post in last two...First x lasix also works in some cases....

R 12 # 1 LOFTY WIDGET...Was claimed by owner/trainer...will be looking to make up for the purchase price...Al Stanley says get 6-1 or more for up to the next 5 starts until it wins...

R 15 # 6 NICE DREAM...Don't let the driver change to the trainer put you off this one...Givens is a winning trainer and driver!...
