

Five (or more) For Friday

Meadows

Race 5 - # 5 Cool And Clouty.. uncharacteristically jumped to the lead in last..could revert to closing tonight.

Northfield

Race 3 - # 3 CC Sable..The 8 hole “lasix” tightener looked good..has a better spot for 2 X lasix to kick in.

Race 10 - # 1 Blackwell..Went the loooooong mile in last..any other trip will suffice.

Northville Downs

Race 10 # - 3 Mane Man..got to include a Northville selection...I live only 5 miles from the track...Mane Man raced great from the 8 hole..gets a much better spot to score from.

Woodbine

Race 2 - # 1 Southwind Sasha..Just meets each condition for this race..it looks like it was written just for her.

Race 3 - # 2 DM Billy The Kid..Claimed by the Moreau bunch..looks to pay immediate dividends.

Race 6 - # 4 Mr Ontario..Great Quali with the hopples..let's see what he can do when it counts.

Race 9- # 8 Nifty Norman..This McMaster claimee should be in contention and may pay decent.

Race 12 - # 3 Davay To San Jose..This Ceelen claimee seems to get along with Mayotte

Recap

Well, 9 is more than 5..hopefully we will have 5 or more winners..Yesterday's pitiful showing of 0 fer 6 could have been a very meager 1 fer 7 if I counted the “no-play if favorite” horse at Harrington which paid \$4.20, but we have to go with the 0 fer 6..Grand totals of 39 fer 195 with a return of \$439.90..plus \$49.90.
