Freehold

Race 5- # 2 **Northeast**..Looks like he should **grab the lead** here and give it his best effort.

Monticello

Race 8 - # 1 **Rick**..From the post Rick looks to be **on the engine** or sitting in the **garden spot** and definitely looking to be first at the wire.

Race 10 - # 3 **Gumcorner Vic**..Nice try at preferred level, drops to where he is a **major player**.

Harrington

Race 3 - # 2 **Extra Fine Cam**..A **covered trip** is what we would like to see from this seemingly now in-shape gelding.

Race 4 - # 1 **Canterbury Bill**..The **1 hole** is a nice spot along with the **2 x lasix**.

Race 8 - # 3 **Two Bobs And A Barry**..The odds will probably be higher for this **2 x lasix** local campaigner than the speedster from the post.

Race 15 - # 1 **Draw Me Bye**..Like the fact he is **moving up**, gets the **best spot** and is **sharp** as tack
